

Final Project Conference in Brussel

("EU-Korea S&T cooperation: Mutual opportunities and benefits")

□ Aim of the conference

- To provide lessons and results learned by the KORRIDOR project with policy decision makers, NCPs, agencies, and all people involved in the project.
- To inform of Korean RTD programs, participation guideline for European researchers in Korean RTD programs, and best practices for European researchers.
- To compare and analyse lessons learnt from other Access4EU countries.

□ Time and venue

10th of November, 2011 (Thu.), Thon Hotel Brussels City Centre in Brussels
